The existing accommodation briefly comprises an entrance hall, living room, kitchen, three bedrooms and family bathroom. A particular feature of the property is the substantial extension which has already been constructed and now requires completion. Once finished, the proposed accommodation offers the opportunity to create an impressive open-plan kitchen/dining room together with a large fourth bedroom in the living room, significantly increasing the overall living space and allowing a purchaser to complete the property to their own specification.

Outside, the bungalow benefits from ample off-road parking and a large rear garden. The garden is predominantly laid to lawn with established boundaries and provides an excellent amount of outside space, complementing the extended accommodation.

Situated in a sought-after village location, the property represents a rare opportunity for the incoming purchaser to complete and personalise a project to create a substantial family home.
