Uppermoor Road, Allenton

Jodie says:

“As soon as I stepped into this spacious three-bedroom semi-detached home, I was struck by how welcoming and well-proportioned it feels. The generous entrance hallway creates a great first impression and offers the added practicality of useful under-stairs storage.

The front living room is a lovely, bright space thanks to the attractive bow window, making it somewhere I can easily imagine relaxing at the end of the day. To the rear, I think the recently updated kitchen really is the heart of the home. The breakfast bar adds a sociable touch, creating a versatile kitchen-diner that's perfect for everything from busy family mornings to entertaining friends.

The rear extension is a fantastic additional space that offers plenty of versatility. Overlooking the garden, it has the potential to become a wonderful second sitting room, garden room or family space, giving a new owner the opportunity to personalise it and make the most of its generous footprint. There's also an outhouse which I think offers fantastic potential. Whether you're looking for additional storage or would like to create a practical utility room, it's a really useful bonus space.

Upstairs, you'll find three well-proportioned bedrooms, including two generous doubles and a comfortable single, all served by a modern family shower room.

The rear garden is a real blank canvas, ready for a new owner to put their own stamp on it. With access back to the front of the property, it's both practical and full of possibilities.

Overall, I think this is a home with bags of potential. It already offers spacious, flexible accommodation with some excellent updates, while still leaving plenty of scope for someone to make it truly their own”.
