Jodie says:

“A home that immediately feels warm, welcoming and wonderfully spacious, this beautifully presented detached property enjoys a lovely position in the ever-popular village of Repton. What I really like is how well it combines generous living space with a layout that's perfectly suited to modern family life.

At the heart of the home is a spacious kitchen and dining area, creating a fantastic sociable space for family meals and entertaining. The kitchen offers plenty of storage and worktop space, while the adjoining living room provides a comfortable place to relax. From here, the modern conservatory overlooks the rear garden and makes a lovely light-filled space to enjoy throughout the year.

But the biggest surprise is the generous double bedroom tucked away beside the conservatory, complete with its own contemporary en-suite shower room. Whether used for guests, a relative or as a luxurious ground floor bedroom, it adds fantastic flexibility to the home.

Upstairs, the principal bedroom features a wall of floor-to-ceiling fitted wardrobes, with a beautifully designed modern bathroom cleverly hidden behind one of the wardrobe doors. Two further generous bedrooms provide plenty of flexibility for family, guests or home working.

Outside, the private rear garden is a lovely extension of the living space, with a decked seating area, lawn, planted borders and space for a shed. The driveway and garage provide excellent parking and storage.”

A message from the seller:

"Welcome to our home. We chose this house as it offered a very practical space for our family of three young boys when we moved in. The house still serves us well when our sons, who are now of adult age, return home with partners to stay for any length of time. We love living in Repton, we are fortunate enough to have two great pubs that are busy and offer super food menus. The butcher, the village store and Post Office are all within 5 mins walk from the property. As villagers, we are welcome to use the members' sports facilities offered by Repton School and enjoy walking our dog in the surrounding fields. The desire to be closer to family has driven the idea of a relocation. We'll really miss the village and the people as it's a rare occasion when we are out and about and we don't meet somebody we know for a quick chat".
