Astley Gardens, Hilton

Mikaela says:

“Tucked away on this small and peaceful development in Hilton, Astley Gardens is a lovely three-bedroom semi-detached home with a really welcoming feel.

The spacious hallway leads through to a bright breakfast kitchen and a generous living room that runs the full width of the house, with double doors opening straight out onto the garden. There are some great touches throughout, including wall panelling and a stylish media wall, giving the home a modern feel without losing its warmth.

Upstairs, there are three bedrooms, two of which are good-sized doubles, with the main bedroom benefiting from its own en-suite. There's also a modern and neutral family bathroom.

Outside, the garden is a real bonus, with a covered decking area directly from the living room and a second decked area further down — ideal as a play space, garden bar or somewhere to sit and enjoy the summer. There are also established fruit trees and handy access back onto the driveway.

Being tucked away from the main road means it feels lovely and quiet, while still having plenty of walks, a cycle track and woodland paths nearby.

A well-presented home in a peaceful setting, with plenty to love both inside and out.”

A message from the seller:

"We love this house, it was the first house we bought together and many happy memories have been made here. We have enjoyed living here with the community of the estate around us, everyone is lovely and we look out for each other in a neighbours group chat on WhatsApp. After 5 years here we are now ready for a bigger space as our family grows. We will definitely miss living here! We hope you love our house just as much as we have."
