1st Floor 2 Bedroom Apartment

Approximate Total Area: 608 ft² ... 56.4 m²

Are you searching for the perfect lock-up-and-leave, an investment property with your own future retirement in mind, or perhaps you are downsizing locally or relocating to Bramhall? Whatever your reason for moving, your search could be over with this beautifully presented two-bedroom first-floor apartment at Chatsworth Manor.

Before reading on, we strongly recommend taking a look through our photographs to fully appreciate the style, design and presentation of this lovely home. Just as importantly, please take time to study the floor plan, which provides the best understanding of the space, proportions and layout of the accommodation on offer.

Chatsworth Manor is a select development of just six apartments, occupying a desirable position on one of the area's most prestigious addresses. This attractive, leafy, tree-lined road offers convenient access into Cheadle Hulme, where an excellent range of shops, restaurants and everyday amenities can be found. For those who enjoy getting outdoors, the beautiful Bramhall Park is just a short stroll away, while slightly further afield Happy Valley provides yet more picturesque walking routes.

The development itself is well maintained both inside and out, and the apartment we offer for sale continues that same high standard of presentation.

The accommodation has a stylish yet homely feel and is first approached through the communal entrance hall, which can be accessed from either the front or rear of the development. Unique to many apartments you get a Garage AND a Parking Space, which is the space directly in front of your own garage. Even better the garages are integral to the build design, so no having to walk across a carpark! The garage with this apartment is the middle garage of the three on the left hand side of the building or second from the left the easiest way to count!

Once inside the apartment, the entrance hall provides access to most of the rooms, with the exception of the kitchen and en-suite shower room.

The lounge is a particularly spacious reception room, featuring a large walk-in bay window overlooking the Ladybrook Road side of the development. As demonstrated within our photographs, the room comfortably provides enough space to accommodate a dining table as well as a generous seating area. The kitchen is accessed directly from the lounge and is fitted with a modern range of kitchen units and fittings, as illustrated within our photographs. Returning to the entrance hall, you will find two bedrooms. The main bedroom benefits from its own en-suite shower room, which is accessed directly from the bedroom and fitted with a modern suite comprising a walk-in shower, wash hand basin and toilet (WC). Positioned next to the main bedroom is bedroom two, which is currently fitted with an extensive range of contemporary floor-to-ceiling wardrobes, providing an impressive amount of storage space.

IMPORTANT NOTE: Concealed within the wardrobes is a pull-down double bed, meaning the room can still comfortably accommodate overnight guests whenever required.

This clever arrangement also gives the room excellent flexibility. Buyers wanting a more conventional second bedroom could remove all or some of the wardrobes, while those working from home may prefer to create a dedicated study space. Alternatively, if fashion is your thing and only one permanent bedroom is required, the amount of wardrobe and storage space available could be exactly what you have been looking for!

Finally, also accessed from the entrance hall is the main bathroom, which is fitted with a modern white suite comprising a panel-fronted bath, wash hand basin and toilet (WC). White tiling and chrome fittings complete the room, creating a clean and timeless finish.
