Waun Farm

Whitland

A charming and versatile smallholding, offering a wonderful opportunity to embrace country living within a quiet rural area of West Carmarthenshire, situated roughly between the popular town of Whitland and village of Tavernspite. This traditional farmhouse is set within approximately 4 acres or thereabouts, providing generous space for a number of occupants and an idyllic smallholders lifestyle. The detached farmhouse has 4 well-proportioned bedrooms, making it ideal for families or those seeking extra space for guests, with spacious living accommodation, country charm and character. There are a variety of outbuildings and a good sized yard offering excellent scope for equestrian interests and hobby farming, plus potential to covert and possibly build a holiday cottage or Annex (subject to planning). There is a garden to the side of the house and separate large wildlife pond/nature area providing a peaceful spot to unwind and connect with nature. The property's no chain status means you can move in with ease and start enjoying your new lifestyle without delay. Whether you are looking to establish a smallholding, run a business from home, or simply enjoy the tranquillity and beauty of a countryside setting, this property delivers fantastic potential in a truly lovely location. Please note that more surrounding land is also available, by separate negotiation. Viewing is strongly advised.

Situation

The property is located on its own, just off a small minor country lane, found roughly between the town of Whitland and village of Tavernspite, both respectfully 2 miles or so distant. Whitland provides an excellent range of amenities to include primary and secondary schooling, train station linking to Carmarthen, a Co-Op supermarket, doctors surgery and high street shopping parade with butchers, green grocers, pharmacy, places to eat etc. The large town of Narberth is roughly 7 miles distant, and the beautiful south coast with stunning beaches and cliff top walks is approximately 5 miles away. The Yard & Buildings

Just up from the house and opposite the paddock, there is a good size concrete yard and useful agricultural buildings, comprising a block built storage/cubical shed and adjoining corrugated double barn.
