Occupying a generous corner plot with a south-west facing garden, detached garage and double driveway, this spacious and versatile property offers fantastic potential for its next owner. The flexible accommodation provides up to five bedrooms, generous living spaces and an excellent opportunity to renovate and create a home entirely to your own taste. Step into the entrance porch, providing a useful space for coats, shoes and everyday storage, before continuing into the main hallway. Immediately to the left is a convenient ground floor WC, while to the right is a versatile room which could be used as an additional reception room, home office or ground floor bedroom. The main reception room is a generous living space featuring a bay window overlooking the garden and a traditional coal fire creating a central focal point. Continuing through the hallway is the ground floor bathroom, fitted with a bath with overhead shower and wash hand basin. A further ground floor bedroom benefits from patio doors opening directly onto the courtyard, along with access to useful understairs storage. Completing the ground floor accommodation is the dining kitchen, with plenty of space for a dining table alongside the kitchen area. There is currently a freestanding electric oven together with space and plumbing for a washing machine or dishwasher. To the first floor, a spacious landing provides access to the loft. There are two good-sized double bedrooms, both benefiting from built-in storage and served by a Jack and Jill shower room. A further single bedroom offers plenty of fitted storage and could equally work well as a nursery, dressing room or home office.

Outside, the property sits on a particularly generous corner plot with a south-west facing L-shaped garden, combining garden space with hardstanding and gravelled areas. There is plenty of scope here to landscape and transform the outside space to suit. A double driveway provides ample off-road parking and gives separate gated access to both the courtyard and garden. There is also a detached single garage with an up-and-over door and additional side access. For buyers looking for a renovation project, this is an exciting opportunity to take a substantial and flexible property and create a fantastic home.
