Built by Croudace Homes in 2016, the home opens with a bright, bay-fronted sitting room that flows effortlessly into a stunning open-plan kitchen/dining space. Thoughtfully extended and flooded with natural light, this is the true heart of the home — complete with sleek bi-folding doors that open onto the garden, creating the ultimate indoor-outdoor living experience. An adjoining utility room, internal access to the garage, and a downstairs cloakroom add further functionality to the ground floor.

Upstairs, four well-proportioned bedrooms provide comfortable accommodation for the whole family. The standout principal suite boasts generous built-in wardrobes and a private en-suite shower room. Three further bedrooms and a stylish family bathroom complete the first floor.

Looking for room to grow? With planning once granted, the expansive loft void offers excellent conversion potential, making this a future-proof choice for evolving needs.
