Occupying a bold, gated plot in one of Epsom's most sought after and convenient locations, Willow Cottage presents a particularly exciting opportunity to create a spectacular detached family home. Having been owned by the same family for over 30 years and offered to the market with no onward chain, this substantial 1,567 sq. ft property provides a genuine blank canvas for a purchaser looking to remodel, refurbish and potentially extend, subject of course to the necessary planning consents.

The property is approached via a large frontage providing parking for several cars, with further scope to create additional parking if required. Full brick walled boundaries give the house an attractive sense of privacy and seclusion, while the detached layout and easterly facing rear garden provide an excellent foundation for a future transformation. Description

To the rear is a kitchen with space for a small breakfast table, while a downstairs WC completes the ground floor. Upstairs are four well proportioned bedrooms, together with a family bathroom and an ensuite shower room serving the principal bedroom. There is also an integral garage, with a rear door leading through to a useful store room. Outside, the secluded rear garden is enclosed by attractive brick walls and offers a private setting with plenty of scope to reimagine the garden alongside any future alterations to the house. With its generous frontage, substantial existing accommodation and potential for extension and reconfiguration, the property offers the rare opportunity to take an established detached home and turn it into something truly exceptional. Most importantly, Willow Cottage combines the ingredients that are increasingly difficult to find in Epsom: a detached house, a substantial plot, generous parking, four bedrooms, a private garden and considerable potential, all
